## Fearfully and Wonderfully Made

*Psalm 139:13-14*

*"13 For you created my inmost being; you knit me together in my mother's womb. 14 I praise you because I am fearfully and wonderfully made; your works are wonderful, I know that full well"*

May is a celebratory month of transition. The school year is ending as people are graduating their courses of

Rev. Dr. Charles F. Marshall, III

study and moving onto the next endeavors in their life. It is also the month to celebrate the women who are the cradle of humanity in birthing humankind. It is even the time of memory for those who served in armed services. The men and women were created in such a way that were able to provide for protection of the their country in many conflicts.

In all these examples of humanity at its best, we see how God has made humanity in such a way that when we operate in God's will we are fearfully and wonderfully made.

God created each of us different with unique characteristics that have purpose and provide for the over well being of this place that we

call Earth. Every individual walking on the face of this earth is made for a purpose. The question becomes will you accept your purpose and use what God has given you to be the best you that you can be.

Humans come in many sizes, shapes, colors, and other characteristics. People have many different skills and abilities. Everyone is not a pro basketball player or a popular singer. What ever you can do, you are fearfully and wonderfully made. All things work together for the good of them that love the Lord and are called according to His purpose.

Walk in your gift and be blessed!!

## Black Men and Prostate Cancer

Thomas and Derrick Butts are father and son who unfortunately have had to deal with prostate cancer. The blessing is that both of them have done something about it and are here to tell about. They have written this book, Prostate Cancer: A Family Affair, which talks about

their journey and gives some insights to prevent and/or treat prostate cancer. In a day where a disease like this can be cured, this is a very heart to heart book that provides insight on what it takes to deal with prostate cancer.

# Mission of Hope

We are enhancing and creating partnerships to improve the delivery of youth ministry in the Metro Atlanta Area. In this new program, we would like to bring together the best and most hopeful young people across the Metro Atlanta region to provide meaningful opportunities to each of them. # Eco-Justice Gathering 2022

Fostering Resilient Hearts & Communities

June 27-July 1, 2022

This intergenerational gathering in the Blue Ridge Mountains will be rooted in rhythms of rest, expansive cooperation, and beholding each other in the midst of daily awakening to climate change.

Equal parts resting with God and visioning for community resilience, we are taking a year to step in, breathe, and acknowledge the profound emotional, physical, and psychological effects of the ongoing climate crisis. Many of us are burned out, and heartbroken.

How do we move forward, together, celebrating what our faith communities and networks have accomplished, while also knowing we need imagination and energy for all that there still is to do?

The pricing for the event is based on a Sliding Scale - so you have options! Pay what you can and / or what best fits your particular budget. Individuals staying overnight can choose pricing from \$325-\$425 per person; and commuters (no overnight lodging) can choose pricing from \$125-\$225 per person.
